Dear Mr. Beebe:

With reference to your letter of February 1, 1949 we are happy to learn that you will request a copy of the contract between your Association and the Equitable Life Assurance Society of New York for our files. We would also like to have a copy of the amendment which provides for the insuring of foreign nationals who have taken out their first U. S. Citizenship papers.

At this time, we would also like to request a copy of the contract between your Association and the Accident and Casualty Insurance Company of Winterthur, Switzerland, and assurance of the fact that your contract with them also provides for the insuring of foreign nationals who have taken out their first U. S. Citizenship papers.

Very truly yours,
